Featured Beverage

Feudi Del Duca
Montepulciano D'Abruzzo,
2016

This wine boasts a beautiful color and concentration of super ripe black cherry fruit complemented by dusty cocoa and spice notes. It flaunts a medium body with a lush texture, soft tannins and a great finish.

A new staff favorite, this delicious wine is extremely enjoyable on its own and will certainly complement Remington's heartier dishes, including our Surf & Turf Scampi Skewer and Cheese and Charcuterie Plate starters, as well as our Seared Duck Breast, Strip Steak and Prime Wagyu Beef Burger entrees.
